- ❑ K-42/I-235 ditches with holes: Maintained by KDOT but without exact location they are not sure where to look.
- ❑ Meridian at Moorings sidewalk: Due to the length of the walk (1,500 feet) the longer the walk, the more expansion when it gets hot. The engineer will try to get the contractor to repair even though the sidewalk is no longer under warranty. If the contractor will not repair the City will put it on the sidewalk repair list.
